The Eindhovense Bowling Vereniging, EBV is one of the oldest bowling clubs in the Netherlands. In 2015 we've celebrated our 50th anniversary.

Our members are playing in several leagues in 33 lane MEGA bowling centre located at Vijfkamplaan in Eindhoven north (Woensel) amidst a lot of other sport facilities. Several of our members are also playing in national leagues organized by the Dutch Bowling Federation NBF. As member of EBV one is automatically a member of the NBF. Membership runs from September 1 till August 31 of the following year.

The EBV organises leagues on the following days:

- 1. Monday scratch league: 19:45-20:45 teams of two persons, four games
- 2. Monday handicap league: 20:00-21:30 teams of three persons, three games
- 3. Tuesday handicap league: 20:00-22:00 teams of four persons, three games
- 4. Thursday handicap league: 19:30-21:30 teams of three persons, three games
- 5. Friday handicap league: 20:00-22:30 teams of three persons, four games

Remark: In handicap leagues players receive a bonus dependent upon their individual average.

People who are interested in ten pin bowling are very welcome to contact us for further information. It is not necessary to join with a complete team, individual players can always be placed in a team. If wanted, by a group of people, undersigned will be glad to give information in a place convenient to you. Just let me know. Or you may visit us on one of our league nights.
